

NANO KOREA 2024

The 22nd International Nanotech Symposium & Exhibition

Prof. Weiping Wang

The University of Hong Kong, China

Prof. Weiping Wang is an Associate Professor at Department of Pharmacology and Pharmacy & Dr. Li Dak-Sum Research Centre, The University of Hong Kong. He is also a Principal Investigator at the State Key Laboratory of Pharmaceutical Biotechnology at HKU. He obtained his PhD in Chemical Engineering in 2011 from The Hong Kong University of Science and Technology. During 2012-2016, he conducted postdoctoral research at Koch Institute for Integrative Cancer Research, Massachusetts Institute of Technology and Boston Children's Hospital, Harvard Medical School. Prof. Wang has received multiple honours and awards, including 2022 NSFC Excellent Young Scientists Fund, 2021 Thieme Chemistry Journals Award, and 2018 Nano Research Young Innovator Award in Nanobiotechnology. His current research interests include nanomedicine, ocular drug delivery, photopharmacology, and stimuli-triggered drug delivery.
