

NANO KOREA 2024

The 22nd International Nanotech Symposium & Exhibition

Prof. Jong-Hyun Ahn

Yonsei University, Korea

Jong-Hyun Ahn is a professor of Electrical and Electronic Engineering at Yonsei University, Korea, where he is also Yonsei fellow and director of center for strain engineered electronic devices. He is a member of the Korean Academy of Science and Technology and the National Academy of Engineering of Korea. His research interest focuses on the synthesis and fabrication of graphene and 2D materials, and their application in flexible and stretchable electronics.
